

2015-16 Meeting Notes

5-18-16: Meeting 27

Safran is still trying to figure out the details for the Patagonia field trip, so stay tuned! If you want to run for a board position next year please fill out the survey above ASAP and prepare a short "speech" for next week's meeting when we will be voting. We also discussed whether or not to change the day of our club meetings from Wednesday to Tuesday, or maybe Thursday. No decision was made but we will continue this discussion in the next few meetings, so be sure to speak up! The school has an online survey about the possibility of making upper into a carpool-only lot, so please fill it out and tell your homerooms about it (website: <http://tinyurl.com/achstranssurvey>). We threw around ideas about how to make our club better for next year so keep coming up with ideas! This is YOUR club!

5-4-16: Meeting 26

Make sure you have signed up for our Remind 101 (info on the homepage) and begin getting Safran's signatures for your community service (ask Maia for your recorded hours). We also signed cards for the organizations that came to our Earth Day fair. The clothing drive is ending soon so get your clothes in ASAP!

4-22-16: UPDATE!!

Hello everyone! Earth Week has ended and it was a success! Each day we had participants and the Earth Day Fair went amazingly so thank you to everyone who helped out! Remember our next meeting is the 27th so come join us for some end-of-the-year fun! There's lots of cool events coming up and lots of fun to be had! Plus, if you have any ideas for something you want the club to do just talk during the next meeting (don't be shy!), we would love to hear your ideas.

4-13-16: Meeting 25

Bike to school week ends at the end of next week (April 22 is the last day) and there are still a few shifts open! Be sure to get some raffle tickets to hand out to the bikers! Harrison and Rachel made a Cam High connect about Go-Green week (thanks guys!). Patagonia reached out to us so after AP tests we will be planning a field trip to their facility so stay tuned! This Saturday there is a tree-planting event happening at Camarillo Grove Park so if you want to go and plant some trees to help our planet, please do!

Remember to make posters for your Earth-Week day and get them approved by ASB BEFORE (!!!) YOU PUT THEM UP!!! The battery drive is this Wednesday (April 20th) so if you would like to participate contact a board member ASAP. Finally, our beach clean-up with S.O.S is Saturday April 30th so come on out!

4-6-16: Meeting 24

Today we reviewed the Earth-week agenda. Each group got together to finalize plans for their specific day. IMPORTANT: EMAIL MRS. SAFRAN YOUR NAME, THE DAY OF YOUR ACTIVITY, AND YOUR FOURTH AND FIFTH PERIOD TEACHERS AND ROOM NUMBERS!!!! If you do not do this by early next week she will not be able to excuse you from class a little early and you will be marked tardy!! The subject line (in the email) should be: Go-Green Week. Please do this ASAP! Thanks you!

3-23-16: Meeting 23

There will be a meeting over Spring Break in Safran's Room on Wednesday from 10 to 12:30 (come any time) to get set up and prepped for Go-Green Week activities! Make sure you get together with your group to figure out what time you will come in! Be sure to sign up for committees if you haven't yet, there are still a few spots to be filled! Those of you who signed up to distribute raffle tickets to bikers: come to Safran's room the Friday before your shift to pick up raffle tickets and give each biker two tickets. There are two new committees, one for succulent distribution (from the Ag department) and the other for the TEENS clothing drive starting April 11th. Thanks for coming!

3-16-16: Meeting 22

Make sure you are signed up for the Remind 101 so you can receive timely reminders and updates about our club (info on the home page). After the meeting we signed up for different shifts, committees, and jobs for Go-Green week so if you forgot to sign up, missed the meeting, or want to sign up for more please come to next week's meeting to get a spot. There is a committee for each day's activity during Go-Green week (see home-page for those days) as well as committees for the following: advertising, bike to school raffle ticket distribution, Essay/Art Contest, battery collection drive, Naturally Green Booth (for Earth Day on Friday), distribution of reusable bags at grocery stores, and more so make sure to sign up ASAP!!

3-9-16: Meeting 21

The Essay/Art Contest topic is Energy for Tomorrow: Re-powering the Planet (info on contest can be found on home screen). Today we planned each group's concrete plan for Go-Green Week. Next week we will plan out shifts for activities. Soda Tabs are still being collected, contact Bhavika for information on bracelet making. Please come to our next meeting!!

3-2-16: Meeting 20

We passed out our club calendars today so if you didn't get one contact a board member at the next meeting to receive one, or just print one out yourself (make sure it's double-sided to conserve paper!!). Just a reminder: If you still do not have a T-Shirt please come get one! Go-Green week is coming up fast so make sure your group has submitted a formatted plan and a complete list of needed materials by the end of next weeks meeting!! We are thinking about having a "contest" of sorts between the teachers by filming short segments about what each one does to conserve resources or help our planet and featuring them on Cam-High Connect. Another idea is to hold a social media contest in the community to see who can raise the most awareness using said platform. The Art and Essay contest begins on March 11th and ends April 18th. We will pick a topic during our next meeting but we have had some great ideas! Come into Safran's room where we have our meetings on Tuesday March 8th if you want to be a part of Cam-High Connect. Our battery recycling campaign is starting April 4th and our clothing drive (partnered with TEENS club) is beginning April 1st. With so many projects, committees will probably be formed, ask a board memeber if you have any questions concerning any of our plans. Lots of great activities are coming up so we will need EVERYBODY'S participation in order to pull it off so PLEASE PLEASE PLEASE come to the meetings, bring your friends, and help out in our mission to raise awareness and preserve our beautiful planet.

2-24-16: Meeting 19

Remember to sign up for the remind 101 if you ar ea new member (details on the home screen) and to

grab a club shirt if you don't have one! Freshman Nights are tomorrow (2/25) and on Monday (2/29) so if you volunteered remember to go! In two weeks we want to have an Urban Hike in Pasadena on Saturday March 5th, if you can come please email me (Maia) so we can make sure enough people can go! For Go-Green week submit a list of materials you need to one of the presidents or to me (Maia) ASAP so we can gather them for you.

2-17-16: Meeting 18

The dresses will be donated to Casa Pacifica this weekend hopefully by our vice president. We are planning on having an Urban Hike on Saturday March 5th to hang out with our club members and have some fun, so save the date! For Freshman Night on Thursday the 25th we need one more volunteer!! The event starts at 6 so please volunteer to help our club! We want to keep thinking of ideas for Go-Green Week and ASB said they will try to work with us so lets get some good ideas flowing! Soda Tab Bracelets are being made tomorrow at lunch in T-8 (Safran's room) so please come to help out if you can!

2-10-16: Meeting 17

We have prom dresses from our dress drive that need to be donated to somewhere soon. The first get-together for making the soda tab bracelets will be this weekend, see Bhavika for more info, she wants them done by April! We thought of a few more games this meeting for Go-Green week and next meeting we want everyone to have a sheet of paper with an idea on it!! We also got two volunteers for Freshman night on Monday February 29th so thank you!

2-3-16: Meeting 16

Rain Collection Barrels ARE HERE! Phase One is placing the barrels in the ground which we will do this Saturday February 6th starting at 10 a.m. at Cam High. Today we decided on committees for Go Green Week so if you weren't at the last meeting please let a board member know so we can place you in a group! Two Freshman Nights are coming up on February 25th and 29th starting at 6 p.m. so we will need 2-3 volunteers per night to showcase our club to next year's freshmen!! Please let a board member know asap or email me (Maia) if you can make it!!

1-20-16: Meeting 15

The hike to Paradise falls will be Friday January 29th, 2016 at 9 a.m. The meeting place will be at Hill Canyon, try not to be late! Contact a board member if you will need a ride and be sure to invite your friends! Bring some snacks and plenty of water! The Rain Collection bins have finally been approved by administration so we will begin planning and installing the bins next semester. Good luck on finals!

1-13-16: Meeting 14

We will begin planning the petition at the meeting after finals week (2-3-16) so be sure to keep coming! Keep bringing in soda can tabs for the Tab Project, collection ending soon! Go Green week is coming up quickly and we need ideas on activities/events to do during that week either at school, in our community, or both. Try to bring at least one idea to our next meeting! We will be going on a hike to Paradise falls soon, dates will be discussed next week so look at your calendars and tell all your friends!

1-6-16: Meeting 13

Our decorating day for the Rose Bowl Parade was a success! Thanks to everyone who came out!

The goal for the Soda-Tab Project is to have all the bracelets finished by April so we will be starting to put them together in February. Be sure to give your contact information to Bhavika so she can make some dates. Our school was flooded during the past two days of rain and we are trying to get approval from administration as fast as possible!

12-16-15: Meeting 12

The Rose Bowl Parade decorating day is the 29th so if you do not have a ride contact a board member and if you can give rides please let one of the presidents know ASAP. Be at the event no later than 8 please and be sure to sign up by the 22nd at <http://paradiso.ivolunteer.com/2015naturallygreen> and print the waiver to bring with you to the event. One of our goals for the new year is to help install a tax on plastic bags to encourage the use of reusable bags, or at least paper bags. In order to accomplish this goal we will need everybody's help, and I really mean EVERYBODY, to reach the almost 20,000 signatures from registered voters across Ventura County required for our petition. Because our club is not very big, we will really need all our members to participate as well as enlist the help of you friends if you can! This is a large task but if we work together we will be successful. Have a great break and be sure to keep thinking of ways that you and our club can help our school, our community, and our world--one step at a time.

12-9-15: Meeting 11

Thanks for everyone who came today and gave us project ideas! Next meeting we will start discussing plans for our petition to make plastics bags cost money at our local stores in order to persuade people to use reusable bags. Keep bringing in those tabs! Remember, 30 tabs is 30 min of community service! We will try to get together over break to make the bracelets, so stay tuned for more information on that.

The Rain Collection project will be in construction very soon, probably over break so keep in touch! The Rose Bowl Parade Decorating is on Tuesday December 29th, 2015 from 8 am to 1 pm. Be sure to sign your form and turn it in to Safran NO LATER THAN FRIDAY (THURSDAY IS BEST!!!!!!). If you need a ride, contact a board member or tell Mrs. Safran and she will let one of us know.

12-2-15: Meeting 10

Results from E-Waste: 3,590 lbs waste recycled! Great job!! Remember: we have a lot of money in our account so if you have any ideas please share during the meeting or with a board member before or after it. Also, congress keeps stopping environmental protection laws from passing so we may start a petition (more details to come). For the Rose Bowl Parade float making, we can either go on 12/29 or 12/30 (both from 8am to 1pm), please contact a board member ASAP so we can choose the day when the most people can come (we need at LEAST ten volunteers!!!).

****COME TO SAFRAN'S ROOM FRIDAY FOR NEW INFO ON THE RAIN COLLECTION PROJECT!!!****

We need to make 3 posters advertising the Soda Can Tab project by next Wednesday, contact Bhavika for more information! Keep turning in those tabs because for every 30 tabs you bring in you will receive 30 min of community service!

11-18-15: Meeting 9

Beach cleanup this Saturday (21st) from 9-11 at the beach across from the Sandhill off PCH, please bring a bag for trash we will supply gloves, hope to see you all there! If you need a ride contact one of the board members ASAP. After break we will need some volunteers to make a couple posters for the Soda-

Can Tab Collection project, more details to come. We may help make a float for the Rose Bowl Parade if enough people can come and help out, more info TBA. For the Rain-Collection Project, Alex will need volunteers to help place and install the collection bins around campus, plans TBD. Next meeting we want to hear your ideas! Take some time this break to think about or research ways we can raise awareness and/or make a difference in our world and then share them with our club!

11-4-15: Meeting 8

There will be a beach cleanup on Saturday November 21st from 9am to 11 at the beach across from the Sandhill off the PCH. Please bring a bag to put trash into, we will provide gloves! As for the soda-can tab drive, please keep bringing in tabs to Safran's room (T-8). We will begin promoting this event soon so stand-by for poster making and a filming of a Cam-High Connect (maybe). There will probably be a contest and the student who brings in the most tabs will win doughnuts!

10-28-15: Meeting 7

We had an amazing turnout during the E-waste event on Saturday the 24th so a big thank you to everyone who helped spread the word and to those who came out to volunteer! One of our members is organizing a drive to spread awareness of recycling and our cause! Please support her and our club by bringing in all your soda can tabs from now until December 2nd (first Wednesday in December) to Mrs. Safran's room (T-8). We will ask for them at the meetings so make sure to keep bringing them in! We also want to have a beach cleanup this November so come to the next meeting to help pick a beach! As always, if you have any ideas or suggestions, bring them up during the meeting or talk to one of the board members before or after the meeting. Thanks for coming!

10-21-15: Meeting 6

Thanks to everyone who came to today's meeting! Please remember to come to the E-waste event this Saturday!! Also keep spreading the word and if you need more flyers pick them up in Safran's T-8 as always. Those who volunteered to distribute flyers during Friday's game: please meet at the top of the ramp by the snack-bar NO LATER than 7! The earlier you show up the sooner we can watch the game!!
E-Waste Saturday October 24th, 2015:

Shift 1~ 10-11:30

Shift 2~ 11:30-1

10-14-15: Meeting 5

Costume drive was successful! Only a few were left and they were donated to the Rain Project! Thanks to everyone who donated!

Remember our E-waste event is Saturday Oct 24 from 10-1 (two shifts) so if you haven't signed up please do so ASAP! Everyone should have a bunch of flyers to distribute and if you run out or don't have any pick more up in Safran's room (T-8). If you volunteered to hand out flyers during the football game on Oct 23 please meet at the top of the ramp by the snack bar no later than 7!

Make sure to come up with your own ideas to help out our club and our world and to inspire others to do the same! We'd love to hear them!!

As always, sign up for the Remind 101 to receive reminders for important events, thanks for coming!

10-7-15: Meeting 4

Donate Costumes NO LATER than Monday the 12th but Friday the 9th is IDEAL!

Get your community service hours form Maia Griffith (secretary)

Meet in Safran's Room (T- 8) on Monday if you signed up for the filming of Cam-High connect!

E-waste is October 24th, this is our biggest event so make sure you sign up!! Also be sure to pick up some flyers from T-8 to distribute! We need volunteers to put flyers on cars during the football game on the 23rd (it should take about 30 min)

Our T-shirts should arrive in 2-3 weeks!! As always, remember to sign up for the Remind 101 (info on the homepage)!

9-30-15: Meeting 3

T-Shirts coming soon!

Two events in October:

1. Halloween Costume Drive- donate costumes to Safran's Room (T-8) by Friday October 9th!
 - all costumes will be donated to Somis Food Pantry
 - Poster-making at lunch (T-8) on Thurs (10-1-15) and Fri (10-2-15)
 - if you signed up to be in the Cam-High Connect go to T-8 at lunch on Oct 5th
2. First E-waste Event on Saturday October 24, 2015

There will be two shifts (10-11:30 and 11:30-1) if you haven't signed up yet come to the next meeting!! We will also receive flyers for this event so be sure to hand those out to your neighbors, friends, parents, etc!

9-23-15: Meeting 2

Welcome new members! We had a beach cleanup this past Saturday the 19, thanks to those who came! Our plan is to have at least 1 event per month this year and October's main event is the costume drive (more info to come)

Our club shirts are coming soon! Next meeting we will be collecting t-shirt sizes if you weren't at today's meeting.

Remember to sign up for the Remind 101! Info is on the homepage :)

9-9-15: Meeting 1

Club Rush is September 16! If you have volunteered to help out that day (Alex, Chun-Tzu, Lilly, William, Madison, Jordan, Maia) please meet in the quad by 12:10!

Coastal Cleanup is on September 19 at Silverstrand Beach. Try to be there by 8:45. Also pick up a waver from Mrs. Safran if you want to go if you haven't already!

Remember to sign up for the remind 101! text: @naturally to (805)322-8058(805)322-8058(805)322-8058
